Fall, 2018

Once again, the Kinette Club of Spruce Grove is working towards the 45<sup>th</sup> Annual Christmas Hamper Campaign to help families in our community that are struggling this holiday season. Thank you for the generous support your school has given to this project in the past; thanks to your support and that of the entire community, we were able to assist 615 local families last year! As our community continues to grow, we are again expecting an increase to the program for 2018. We strive for equal and quality hampers for all of those in need in Spruce Grove and East Parkland.

We are asking all schools to support us by providing non-perishable food items, gift cards and unwrapped gifts for children, with the emphasis being on food donations. We will provide your school with information to go home with the students outlining hamper goals.

As in the past couple of years, we will not have family profiles and are targeting specific ages for gifts. In order to meet our objectives more effectively, we are kindly asking that if at all possible, **food items be sorted by type in boxes** when it arrives to the church. With limited time to get hampers assembled and distributed, and because of the huge volume increases that we're dealing with, this would be an enormous help to us!

We ask that the schools **deliver the items to the Spruce Grove Alliance Church gymnasium (250 Century Road) in the morning on Monday, December 10<sup>th</sup>, 2018** so we can begin the huge task of sorting and assembling the Christmas Hampers.

Sincerely,
